**A WINNING TRADITION
SINCE 1945**

Quality Laminate Products

Champions always finish at the Clubhouse.

Clubhouse Lockers

The perfect combination of design, functionality and affordability

Our Clubhouse Lockers are impeccably designed and held to the highest standards in quality. Our unique custom lockers are chosen for colleges, universities, country clubs, golf clubs, health-fitness clubs, stadiums, medical offices and recreational facilities.

Custom Lockers. Any Design. Any Quantity. Lowest Cost.

“Whether you need 10 lockers or 1,000 lockers, we’ll design, produce and ship in less time than any other locker manufacturer.”

Custom-built to your specs

Superior Durability

Constructed of wood laminate, Clubhouse lockers offer greater durability and resistance than other materials and with the rich appearance of solid wood.

Your Design. Our Expertise.

At Rynone, we work with our customers through every step of the design process. Our skilled craftsmen will meet with your architects and help you design a locker that is as unique as your institution.

Seeing Your Project Unfold

Rynone will also help you visualize your project, as we provide you with three-dimensional designs of your plans. These will allow you to view every detail in its entirety and give you confidence that your project is all that you and other decision makers envisioned.

Versatility and Speed

Whether your job is standard or custom, we can create any design, no matter the specifications or quantity, in the same amount of time. Whether you need 10 lockers or 1,000 lockers, we’ll design, produce and ship in less time than any other locker manufacturer.

Highly Cost Effective

As a leader in laminate product manufacturing since 1945, our experience and cutting-edge facility allow us to produce high volume, excellent quality products at the lowest prices in the market today.

Huge Selection of Custom Options

We offer an almost endless variety of creative custom options including:

- wardrobe hooks
- clothes rods
- nameplates
- custom plastic edges
- ventilation options
- locks

Contact us for additional information on accessories. No accessory or accessory order is too large or too small.

Our Extensive Inventory of Materials

Our extensive inventory of materials means everything we need to produce your lockers is at our fingertips. And with no middle man, Rynone can keep your costs low.

One of the Largest Laminate Manufacturers in the Country.

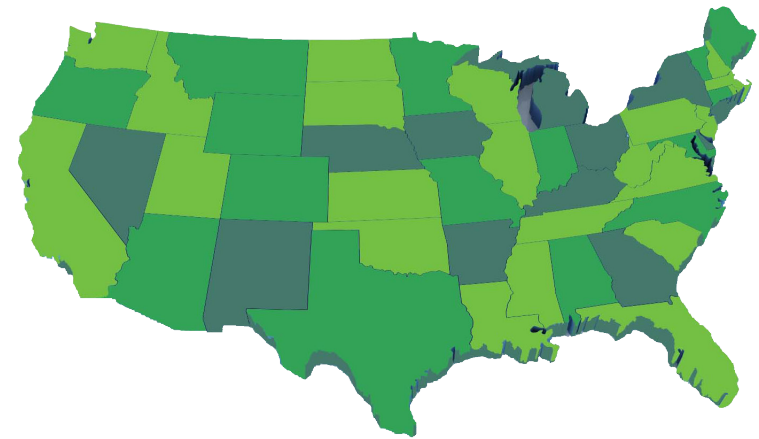

“Along with our new field house, we had all new lockers custom-built by Clubhouse. Now we have a world-class field house that the entire community is proud of.”

Tom Edwards,
Newfield Booster Club

Why Clubhouse Lockers?

Rynone has been manufacturing quality laminate products since 1945. Today our vast experience and cutting edge facility has helped make us one of the largest, most versatile laminate manufacturers in the country.

- Our facility has **over 100,000 square feet of manufacturing space.**
- We manufacture **160 miles of laminate products per year**, so there is no project too large to handle.
- **Cutting-edge machinery** delivers speed and precision that no other locker manufacturer can match including:
 - 3 CNC machining centers • 2 panel saws • 2 edge banders • Contour edge bander
- Clubhouse Lockers will assist you with your project approval by supporting any LEED or Greenguard requirements, if needed.

Rynone Ships Nationwide

We deliver anywhere in the continental United States. On time and on budget.

Our Own Fleet of Trucks

We deliver directly to your job site on our own fleet of trucks, saving you exorbitant shipping costs and ensuring we always meet your deadlines.
